Employ-Ability and the Job Role

Employ-Ability, an Essex-based charity, is seeking to recruit suitable candidates to support those, with mild to moderate mental ill health including physical and sensory impairments, to find and keep employment. This is a new addition to our current services and are seeking driven individuals that can help embed and grow this new team. Employ-Ability is a highly successful supported employment service, as well as a recognised Centre of Excellence. The charity works with Essex Partnership University Foundation Trust to deliver an Essex wide Individual Placement and Support (IPS) service and from April 2019 with Norfolk and Suffolk Foundation Trust to deliver a West Suffolk, Ipswich and East Suffolk Service.

IPS Employment Specialist - Job Description

Grade or equivalent:	£28,326 Starting salary at initial grade point, reviewed at 6 months.
Location:	South West Essex
Responsible to:	Team Lead
Accountable to:	Head of Service

Role Purpose:

You will work with clients (managing a caseload) who have mental health support including physical and sensory needs, to assist them in securing sustainable paid employment in line with their preferences. You will deliver the Individual Placement and Support (IPS) approach (for which training will be given); providing person centred advice and guidance to clients, whilst building positive relationships with local employers to enable clients to move into suitable employment.

You will work alongside Primary Care networks and other stakeholders in maintaining positive and integrated relationships, fostering a holistic approach to recovery through employment.

Responsibilities:

Core Responsibilities:

- Manage a caseload of around 20 clients who have mental health support needs who are motivated to start/return to work.
- Deliver the Individual Placement and Support (IPS) approach for which training will be given.
- Meet and support clients to understand their key skills, aspirations and goals through completing a Vocational Profile and produce an Action Plan to help them obtain and sustain

competitive employment. This includes support with their job search, CV production, application forms, interview techniques and career development.

- Assess client's support needs related to work which may include benefits/welfare advice, disclosure of mental health symptoms etc, and provide support & guidance.
- Attend weekly team meetings as an embedded IPS practitioner.
- Source job opportunities for clients through tailored job search and regular contact with local employers to explore hidden as well as advertised employment opportunities.
- Provide education and support to employers, as agreed with the individual, which may include negotiating adjustments, return to work strategy and on-going contact with the employer to ensure job retention.
- Build relationships with colleagues in primary care teams to engage and generate referrals and create collaborative working partnerships with clinical staff (promoting employment as a positive intervention in the recovery journey).
- Once employment has been secured continue to provide quality service through conducting regular visits, effective monitoring and in-work support to clients and employers to help sustain employment.

Relationship Management:

Establish positive and integrated relationships with clinical teams, employers and other service providers. This includes:

- To build and maintain employer relationships and maintain employer engagement database.
- Arrange regular meetings with clients to monitor and review progress pre and post-employment.
- Spend time getting to know local employers, in order to negotiate job opportunities that meet each individual's strengths, needs, abilities and preferences.
- To challenge inequalities experienced by clients and address existing discrimination, whilst ensuring a process of learning for the organisation
- Work with employers to promote the service, identify job opportunities and ensure appropriate strategies are in place to reduce barriers in the work place – this can include exploring 'job carving' i.e. carving small slices of work from the duties other staff do not have time to do.
- To develop effective working relationships with a range of external agencies who can help individuals to achieve their employment goals. This may include local colleges and training providers.

Other:

- To adhere to administrative and data capture protocols which record the progress of individuals, and to keep accurate and complete records of casework.
- To work independently, reliably and deliver consistently to deliver effective IPS practice.
- Ensure that effective monitoring and evaluation systems are adhered to and keep abreast of changing practice within vocational rehabilitation.
- To co-produce service development with service users where possible.
- To collect employment recovery stories from people accessing the service.
- Ensure that all relevant policies are implemented such as information governance, safeguarding etc.

- Partake in continuous learning about mental health conditions, their impact and how they can be managed and undertake mandatory training as required.
- Work flexible hours as required.
- To keep up to date with information on grants and advisory services for clients and employers, for instance funding for specialised equipment or advice on the Equality Act 2010.
- To support the team in promoting Employ-Ability in the community and with related publicity events and materials.
- You will be required to be mobile across a geographical area in supporting clients.
- To undertake any other duties as may be necessary from time to time, including possible out of hours working for which there will be time off in lieu.

Stakeholders:

Team Leader, Head of Service, Board of Trustees, Clinical Teams, Essex Partnership University Trust, Essex County Council, User Groups, Voluntary Sector and Trust Training and Supported Employment Schemes, Local Colleges, Local Employment Service Disability Service Teams, Local Employers and other NHS User Employment Schemes.
